Voice of **jmi** Newsletter

Volume 10 Issue : 13

Dated : 01 November 2025

President's Message

**Mr. Neel Mani Rangesh****Reverend Jesuit Fathers & Brothers,****Dear Jesuit Alumni/ae,**

It is with immense joy and a deep sense of shared purpose that I address you through this newsletter. As we continue on our mission, inspired by the Jesuit spirit of **Magis**—striving for the greater good—I am continually heartened by the dedication, fellowship, and impactful work carried out by our member associations across the length and breadth of India. Your commitment to the values instilled in us by our Jesuit mentors is the bedrock upon which the Federation of Jesuit Alumni Associations of India (JAAI) stands.

The past few months have been a testament to the resilience and vibrancy of our network. From local initiatives focusing on education and social justice to regional gatherings that strengthened our bonds, the collective footprint of JAAI has grown wider and deeper. The grand success of the Blood Donation Camp organized by many member associations across the country especially in Central Zone to mark the Feast Day of St. Ignatius of Loyola was a testament of the collective strength of Jesuit Alumni. We are not just a collection of alumni from Jesuit institutions; we are a powerful, coordinated force dedicated to being "**men and women for others**." The reports of service activities, mentoring programs for current students, and support for retired teachers have been inspiring, reminding us that our learning did not end at the school or college gate, but instead became the foundation for a lifetime of giving back.

However, the world around us is in constant flux, presenting new challenges that require our collective wisdom and effort. The Jesuit vision calls us to be contemplatives in action—to reflect deeply on the needs of our society and respond with courage, competence, and compassion. Whether it is tackling issues of environmental sustainability, ensuring

equitable access to quality education, or fostering ethical leadership in a complex world, the onus is on us, the alumni, to live up to our heritage. Our strength lies in **our unity and our shared formation**. By pooling our resources, expertise, and networks, we can multiply our impact and bring about meaningful, lasting change. In this spirit of commitment to the welfare of others and the global family, let us reflect upon a guiding principle from the **महा उपनिषद्** that perfectly aligns with the core of our Jesuit formation: अयं निजः परो वैति गणना लघुत्तेतसम् । उदारचरितानां तु वसुधैव कुटुम्बकम् ॥ which means: "**This person is mine, and this one is a stranger**," is the thinking of small-minded people. For the generous-hearted, however, the entire world is but a family (**Vasudhaiva Kutumbakam**). It reinforces the Jesuit ideal of universal brotherhood and service, reminding us that our scope of action must extend beyond narrow boundaries to embrace the whole of humanity.

I am particularly excited to draw your attention to two monumental events on our calendar, starting with our own **11th National Congress of the Federation of JAAI**. The Congress is scheduled to take place at the picturesque **VM Salgaocar Institute of International Hospitality Education (VMSIIHE), Raia, Goa (South Goa)**, from **Friday, February 6th, to Sunday, February 8th, 2026**. The National Congress is more than just a meeting; it is a **celebration of our fellowship, a platform for crucial deliberation, and a wellspring of strategic direction** for the Federation. The theme "Mindful Living" for the Congress will focus on practice of intentionally bringing one's attention to the present moment without judgment. It involves fully engaging with where you are and what you're doing, noticing the thoughts, feelings, and sensations that arise and galvanizing the JAAI network to meet contemporary challenges in a spirit of shared responsibility and innovation. We will have opportunities for spiritual reflection, engaging discussions with Jesuit Fathers and esteemed alumni, and practical workshops on strengthening your local associations and service projects.

I urge the **Presidents and Secretaries of all our member associations** to mark these dates and ensure a robust delegation from your unit. More importantly, I extend a heartfelt invitation to **every single Jesuit Alumnus/Alumna** in India. This is your chance to reconnect with old friends, forge new alliances, and contribute your voice to the future of JAAI. Your **active presence** is the lifeblood of this event. The memories made, the ideas exchanged, and the resolutions passed at the National Congress will chart the course for our collective efforts for the coming years. Let us gather in large numbers amidst the beautiful Goan landscape to reignite our spirit of service.

Following our National Congress, we have the immense privilege of participating in the **11th World Union of Jesuit Alumni (WUJA) Congress**, which will be held at **Sanata Dharma University, Yogyakarta, Indonesia**, from **July 29th to August 2nd, 2026**. The WUJA Congress is a truly global convocation, bringing together Jesuit alumni from every corner of the world. It is an unparalleled opportunity to stand shoulder-to-shoulder with thousands of fellow alumni, exchange best practices, discuss global issues through a Jesuit lens, and strengthen the worldwide network. This

Congress will allow us to see how the Ignatian charism translates into action on an international scale and learn from the diverse experiences of our global Jesuit family. I strongly encourage our members to seriously consider attending the WUJA Congress. **Representation from the Federation of Jesuit Alumni Associations of India is vital** to share the inspiring work we are doing here and to bring back global perspectives that can enrich our local initiatives. Details regarding registration, travel, and accommodation for both the National and World Congresses have already been shared from the JAAI Secretariat. The time to act is now. Let the upcoming year be defined by our **renewed commitment to service**, our **deepening fellowship**, and our **enthusiastic participation** in these landmark events. I look forward to meeting many of you in Goa and subsequently in Indonesia.

With every good wish and prayerful support,
In the Service of God and Country,

Happy Reading

With Warm Regards,
[Neel Mani Rangesh]

From The Editor

Prof. Edmund Frank

The forthcoming Governing Council meeting of the Federation of Jesuit Alumni Associations of India (JAAI) in Jaipur on 1st November and 2nd November marks an important milestone in our shared journey. It sets the stage for two major events ahead—the National Congress of JAAI at the Salgaocar Institute of International Hospitality Education, South Goa from 6–8 February 2026, and the World Union of Jesuit Alumni Congress in Indonesia from 29 July to 2 August 2026. These gatherings continue a proud tradition of strengthening our bonds, deepening our roots, and celebrating the Ignatian heritage that continues to unite, inspire, and challenge us.

The Jaipur meeting is more than an administrative exercise; it is a reaffirmation of who we are and what we stand for. The Jesuit legacy in education extends far beyond classroom walls. It endures in the hearts of alumni who live out the ideals of *Ad Majorem Dei Gloriam*—“for the greater glory of God.” It is a call to constant growth—to do more, to do better, and to do greater things for God and for others. As alumni, we are not merely beneficiaries of Jesuit education, but stewards of a living tradition that calls us to serve, to lead, and to transform the world around us.

The forthcoming Congress in Goa invites us to reflect on how Jesuit alumni can contribute meaningfully to a nation and a world in need of ethical leadership, inclusive progress, and renewed hope. It is also a moment to renew friendships, celebrate achievements, and envision new ways to serve together. In today's complex world—marked by social inequalities, environmental challenges, and moral uncertainties—Jesuit alumni have an

even greater role to play. Our alma maters look to us not merely for nostalgic ties or financial support, but for active participation in building communities of conscience and compassion. Whether through mentoring young students, supporting educational initiatives, or engaging in social outreach, every act of involvement strengthens the bridge between our Jesuit institutions and the wider society.

The deliberations in Jaipur, and later in Goa, are not merely administrative milestones; they are opportunities to reimagine the role of the Jesuit alumnus in the twenty-first century. They call us to discern how we can extend our Ignatian formation into concrete action—living out our faith through service, competence, and compassion.

Our Jesuit institutions have given us not just an education, but a worldview—one that blends faith with service, competence with conscience, and success with solidarity. As alumni, we carry forward this spirit by nurturing it within our institutions and communities. In doing so, we continue the Jesuit mission beyond campus boundaries, bringing its light into the wider world.

As we look ahead to the National and World Congresses, let us reaffirm that being a Jesuit alumnus is not about privilege but responsibility—a responsibility to live the Jesuit mission wherever we are ensuring that the light we have received continues to illuminate others.

May this issue of VOICE of JAAI echo our shared commitment: to remain rooted in Ignatian ideals, to let the flame of Jesuit education enlighten minds, and to transform hearts. Together, we remain men and women for others—united in purpose, guided by the spirit of St. Ignatius, and ever committed to building a more just, compassionate, and faith-filled world.

Message

Dear Reverend Jesuit Fathers and Brothers and Jesuit Alumni/ae,

A lot of water has flowed down the River Zuari (dividing North Goa from South Goa) from the time we had our last Governing Council Meeting on 6th February, 2025 at Fr. Pedro Arrupe Institute, Raia, Goa. The Calendar of Events has been adhered to a great extent. All the Zones have organised Orientation Session to enlighten the Office Bearers of the Associations. Our Signature Event has been observed by most of the alumni associations to mark the Feast Day of St. Ignatius of Loyola by organising Blood Donation Camps. And all the Zones held Zonal Alumni Football matches to finalise the Zonal Teams that will play in the Finals alongside the JAAI National Congress to be held in February, 2026 in Goa.

While the South Zone and the Central Zone had their Zonal Congress in the recent past, the North Zone and the West zone will hold their Zonal Congress in November, 2025. I had the privilege to attend the Central Zone Congress at Hazaribagh led by their Iron Lady President, Ms. Chandrima Roy and ably assisted by their dynamic Secretary, Mr. Savak Patel and equally vibrant Host President, Mr. Umesh Kumar. It was a resounding success as obviously the planning and the execution was exceptional while the deliberations were insightful, enriching and productive and have left an indelible impression on the audience. The fellowship speaks volumes for the great hosts HOXA for dishing out delicious dishes amidst appropriate quenchers which served to enliven the spirits – a memorable event! The North Zonal Congress will be held on 1st November, 2025 in Jaipur and the West Zonal Congress will take place from 14th to 16th November, 2025 in Mumbai. This will be followed by JAAI SUMMIT GOA, the 11th National Congress of JAAI in Goa.

It is my earnest desire that the Governing Council, PCAs, all the Jesuit Provincials, Managers, Principals and Vice Principals of all Jesuit Institutions, all Jesuit priests and every Jesuit Alumni/ae should attend the JAAI SUMMIT GOA as History will be scripted when the 11th National Congress of JAAI gets underway on 6th February,

Emanuel de Jesus Assis
da Gloria da Gama Furtado

2026 as it is for the first time that the Congress will be held in Goa since JAAI was conceived at the Jesuit Alumni Congress in Chennai in 1995. It will be an occasion when old students and administrators of all the Jesuit Institutions across India and others coming from various parts of the world will converge and deliberate over the theme "Mindful Living".

Do come and join us and experience the Goan way of living...as the curtains come down on the tenure of this JAAI Governing Council 2023-2026.

At this juncture I would like to extend on behalf of JAAI our sincerest gratitude to Prof. Edmund Frank for his outstanding efforts in producing our newsletter. I have spent time with him and witnessed firsthand during my several visits to Mangalore how busy and committed he is to his profession and passion to serve the lees fortunate. And yet his dedication as both the editor and publisher has been unwavering and has unfailingly been the driving force behind the consistent quality and success of our newsletter.

The latest edition is yet again a testament to his persistence and hard work. The content is well-researched, informative, engaging and beautifully presented. What is particularly striking is his keen eye for detail. This ensures that every issue is a polished and professional representation of our association. The logistical mastery required to handle both the editorial and publishing responsibilities is immense. Hence, his ability to manage this with such skill and efficiency is truly commendable.

On behalf of JAAI I thank him for his tireless commitment to keeping our members informed and connected. His passion for his work is evident in every issue, and it makes a significant difference to our community.

With fraternal regards
